**Was the Verdict Plausible?**

**My initial assessment**

Facts that seem to support the verdict	Facts that seem to challenge the verdict
<p>Given the information from the four articles, I believe that the jury's verdict was:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Highly plausible</li> <li><input type="checkbox"/> Somewhat plausible</li> <li><input type="checkbox"/> Somewhat implausible</li> <li><input type="checkbox"/> Highly implausible</li> </ul>	<p><b>Explanation for rating</b></p>

## My second assessment

<p>After reviewing the many source documents, I realize that the jury's verdict was:</p> <ul style="list-style-type: none"><li><input type="checkbox"/> more plausible than I first thought</li><li><input type="checkbox"/> about the same as I first thought</li><li><input type="checkbox"/> less plausible than I first thought</li></ul>	<p style="text-align: center;"><b>Explanation for rating</b></p>
